Re: My Ammended Complaint by Prisoner Under Civil Rights Act of 1983
Ammended CV-09-1777

With regard to the aforementioned Ammended Complaint recently filed with the Honorable Court I wish to bring up several facts that could not be placed in the limited space of said Ammended Complaint.

On the Morning of Saturday, May 16th @ approx 10⁰⁰ am I was reading my Jewish Bible (Tanakh) when two deputies, Deputy MacAffee and Deputy Margrales entered my medical Unit (C-Pod) room and came right over to me and threw the Jewish Bible out of my hands and towards the Toilet area of my medical cell (Keep in mind this was my Sabbath day - "Shabbat" / Saturday - day for prayer/reflection) Officer Marbreles and MacAffee then proceeded to apew virulent anti-semetic and horrifically vulgar anti-semetic comments against me. They concluded by demanding I "withdraw my F-cking Motion with the District Court (i.e. - your COURT) about my "Kike" prayer hat (yarnica)" to this I replied it was a matter for the Court to decide and that I had no intention whatever of "withdrawing" said complaint. They both became mato at this point and pulled me backwards in my wheelchair (I have full Late Stage Aids, am paralyzed from a military injury - TBI - Traumatic Brain Injury and have severe cerebral/neurological disorders) and dumped me out of wheelchair (Marbreles dumped me from Chair) Officer MacAffee held my left arm down with both of his heavy booted feet and kicked me in my right rib-cage (I am still coughing up blood) and then Officer Marbreles took

my ~~the~~ right forearm and squeezed it very hard and then smashed it hard against the concrete wall (actually my forearm and right hand- fingers/knuckles swelled up like cantelope)

At this point Officer Marbre said "now you cant write that Kake Bitch Senator Anymore" (He was referring to the Hon. Senator Dianne Feinstein, who sent me a legal mail letter that morning about my Yarnica/religious rights case/Federal Law).

This was observed by two nurses outside the room (the walls are plexiglass at the front so nurses can observe us) and they reported the incident to internal Affairs. The Nursing Staff was very concerned/compassionate. I called my Public Defender/Lawyer (Eric Quandt, 555 Seventh St, SF CA 94103, phone 415-553-9554, Fax (415) 553-9810) and he was very concerned and immediately sent a licensed Investigator to photograph my wound (Jennifer Jennings, Public Defenders Dept, Ph. 415-575-8853, Fax (415) 553-9646) Dr. Jacobson (Donna Jacobson, MD of Jail Medical Services here at the Jail) saw me on Tuesday and was appalled at the wound, and made a detailed report of my injuries. Internal Affairs of the Sheriff's Department came to visit me/interview me on Wednesday the 20th and spoke with me, my cell-mate, Dr. Jacobson, Chief Nurse Meena, Nurse Suzanne, et alia.

Since then the threats/anti-semitic comments by the Sheriff's deputies have become more venomous than ever (so much for protection/confidentiality in speaking "freely" to Internal Affairs)

Therefore, I respectfully ask the Honorable Court to Subpoena the Records pertaining to aforementioned assault from

- (1) Jail Medical Services- Attn: Dr Donna Jacobson
- (2) SF Sheriff's Department Internal Affairs Dept.
- (3) The SF Public Defenders Office of Investigations.

all of these should help to provide crucial evidence to the Honorable Court.

Respectfully Submitted, Jefferson
